

Lions Sports Club Cricket Report - 2010
By Sharmela S. Rambally.

The President and Captain Kamta Roy Singh welcomed each and everyone to Lions Sports Club to Annual cricket Banquet on Oct 23 with over 200 in attendance. He extended special thanks to players for the achievements, volunteers for their continued support.

This year the Lion's Sport Club did not triumph overall but still had a very successful run, which the team is very proud of. Their representation in the 2020 International Tournament resulted in placing 3rd and brought out some superstars in the sport such as Imdad Alli for most runs, Kamta Roy Singh for most wickets (4 wickets in one game) and Jaikarran Singh for team MVP.

This year's banquet was long overdue, and with the support of the players, families and supporters it proved to be a big success. The environment was friendly, fun and welcoming to all, especially for the award recipients and the Special guests and Alumni's.

Along with the founders of the Club, the Alumni's and the supporters were activities, entertainment and prizes to keep the night enjoyable for everyone there that night. I am happy to say that it was a pleasure to see some of the original members and founders such as Mr. Jameer Rahaman, and Derek Dabee, who was specially acknowledged for their dedication and loyalty to the sport.

Special awards were given to Anthony Jose for most runs, Joe Marrast for MVP, Most wickets to Somnath Kaidnath, Second most runs to Nadir Hussein, second most wickets Praveen Kumar, Most improved player to Alan Jacob - for the B-Team.

Most runs & most wickets to Imdad Alli, MVP to Bevan McKee, Second most runs Kamta Roy Singh, second most wickets Ronald Singh and most improved player to Anoop Jose - for the A-team.

Special recognition was given to Provincial players Gavin Budhoo & Imdad Alli and University of Manitoba player Anoop Jose.

Lions of the year award went to Joe Marrast and supporter of the year went to Molly and James Brewster. Special recognition went to Theo Haynes for retirement from cricket.

Overall the night was very eventful, fun and enjoyed by all, and the team members are definitely looking forward to next season which they promised to give their very best to make their supporters proud.

Congrats to the captains and players from both teams, and wish you a great season next year.
